Gentlemen:

Per your letter dated September 8, 2000, Llano Production Company no longer operates any oil and gas properties in New Mexico. Our bond has even been released by the state of New Mexico several years ago. Please check your records to make sure that a mistake has not been made in sending this letter to Llano Production Company.

Yours truly,

A handwritten signature in black ink, appearing to read "Jim A. Dawson", with a long horizontal flourish extending to the right.
