Re: State H Lease
Eunice SR Queen South Pool
Gas Transporter

Gentlemen:

Our records for the above-referenced lease show Petro-Lewis Corporation as the gas transporter. Petro Lewis is no longer a gas transporter in New Mexico. I believe this gas is going to Texaco Productin Inc. (TPI). Please file a change of transporter for all wells on this lease.

If you have other wells which were connected to the Petro Lewis System please file an updated C-104 for those wells also.

Thanks for your cooperation in this matter.

Very truly yours,

OIL CONSERVATION DIVISION
