Application for Administrative Approval of Nonstandard  
Location. Eumont Gas Proration Unit  
Gillully Federal "B" R/A A Well No. 17  
Lea County, New Mexico

Amoco Production Company, as operator of the Gillully "B" Federal R/A A No. 17 (Eumont Yates) Unit, Lea County, New Mexico, hereby applies for administrative approval to recompleat the subject well at the attached nonstandard location. In addition to the approval for the Gillully # 17 well, we have enclosed revised acreage dedication plats for all three wells, outlining the proration unit and spotting all three wells on each plat.

Required notice of this application has been served by certified mail to each operator of proration or spacing unit offsetting the unit for which this exception is requested. Each party has been furnished a copy of this letter complete with all attachments.

If there are any questions concerning this application, please contact Nita White at (713) 596-7639.

Yours very truly,
