Dear Mr. Sexton:

In response to your correspondence dated July 11, 1991 concerning the above referenced well, please see the attachments included herein. Please note original Form C-102 was mailed to Ms. Evelyn Downs on July 9, 1991. Also, I have notified our Production Accounting Department of the need to amend Form C-115 per your recommendation. Thirdly, our records indicate per commingling order PC-629 dated February 3, 1983, production may be surface commingled in a common tank battery in accordance with Rule 303.

If I may be of further assistance, please feel free to contact me by hard copy or at (915) 682-1626.
