Gentlemen:

Application For Multiple Completion - Warren Unit No. 68

Conoco Inc. submitted an application to dual complete Warren Unit No. 68 on February 11, 1980. At that time we were in the process of drilling the well. Therefore, we attached no electric logs of the proposed perforating intervals.

We have now completed drilling the well and are submitting electric logs of the proposed perforation intervals. Please find attached a copy of the electric logs with perforation intervals as follows:

<u>ZONE</u>	<u>DEPTH</u>
Blinberry Oil & Gas	6021'-6232'
Tubb Oil	6669'-6773'

Yours very truly,

JRA:sed
