- * Should waivers from all offset operators not accompany an application for administrative approval, the New Mexico Oil Conservation Commission will hold the application for a period of twenty (20) days from date of receipt by the Commission's Santa Fe office. If, after said twenty-day period, no protest nor request for hearing is received by the Santa Fe office, the application will then be processed.
- NOTE: If the proposed multiple completion will result in an unorthodox well location and/or a non-standard proration unit in either or both of the producing zones, then separate application for approval of the same should be filed simultaneously with this application.

Gentlemen:

Dual Completion of Burger B-20 No. 3

Attached is a copy of Form C-107, Application for Multiple Completion, for the Conoco operated subject well. We are currently drilling this well and are making application to the New Mexico Oil Conservation Division to dually complete. In order to expedite NMOCD approval we request from you, as offset operator, a waiver to dually complete this well.

Enclosed are three copies of this letter. Please execute the waiver below within ten days and send one copy to the NMOCD and return one copy to us. Addressed and stamped envelopes are enclosed.

Yours very truly,
