TITLE

Manager of Operations

DATE

8/24/81

Data here in to be filed with the appropriate District Office of the Division not later than 30 days after the completion of any newly-drilled or deepened well. It shall be accompanied by one copy of all electrical and non-electrical logs run in the well and a summary of all special tests conducted, including full stem tests. All data reported shall be measured against the case of directly drilled well, true vertical depth shall also be reported. For a data to be reported, from 30 through 34 shall be reported for each zone. The data to be filed in quarterly reports except on some tests, where six copies are required, include HCS.
