Gentlemen:

Attached is an approved copy of Form C-103 covering the dual completion of your State No. 1 located in Unit C of Section 11, T-22-S, R-34-E.

We wish to call to your attention, however, that it will be necessary for you to obtain approval for the dual completion under the provisions of Division Rule 112-A even though only one zone is producing.

Yours very truly,

OIL CONSERVATION DIVISION

*This is not a
dual completion. It
is a single with a
selective zone above
the primary producing
zone.*
