Re: Extension of Division Order No. SWD-520

Dear Mr. Trainer:

Reference is made to your recent request for an extension period in which to implement operations as permitted by Division Order No. SWD-520. My staff has considered your request and, as this is your fourth request for an extension, we feel that sufficient time has been previously granted in which to implement operations.

Your request for an extension to Division Order No. SWD-520 is therefore denied. If operations to convert the Harris Federal Well No. 1 have not been initiated on or before April 1, 1997, Division Order No. SWD-520 shall expire.

Sincerely,

A handwritten signature in black ink, appearing to read "William J. LeMay", written over the word "Sincerely,".

William J. LeMay
Director
