Gentlemen:

State 35 No. 1 - Flaring of Casinghead Gas

In response to your letter dated June 2, 1986 concerning the above captioned well, Conoco does not wish to request an extension of permission to flare. The State 35 No. 1 is presently shut in and we are in the process of negotiating a sale on this well.

If you need more information please contact Linda Caperton of this office.

Yours very truly,
