Federal #2-P 34-22-34

Gentlemen:

We have received the gas connection notice for the above-referenced well indicating Maxus Exploration Company as the transporter. However, in order to get our records to agree you will need to file a C-104 changing the gas transporter from Natural Gas Pipeline Company of America to Maxus Exploration Company.

Very truly yours,

Re: Notice of Gas Connection
Maxus Exploration Company
Federal 24-34 #1-77
Section 34, T22S, R34E
Antelope Ridge - Atoka Gas Pool

Gentlemen;

Natural filed a notice on 12-1-87 for delivery of gas from the Maxus well #2-P in Sec. 34, T22S, R34E.

Gas from the above referenced well is being delivered to us through the original delivery point. Maxus operates the gathering system complete with separate meters and should have filed the subject report: Naturals' meter is no longer the original delivery point. I have advised Maxus of their need to submit the subject report.

Very truly yours

W.H. Burford
