Re: Application for Permit to Drill  
990/S & 1980/W  
Section 34, T22S, R34E  
Lea County, NM

Gentlemen:

We have received a copy of your approved permit to drill a well at the above-referenced location from the Bureau of Land Management. The lease name as corrected by the BLM does not agree with the lease name guidelines established by the Oil Conservation Division. In order that your lease name agree with our system, it has been changed to "Federal 24-34" well #1.

A copy of this memo is enclosed for your information.

Very truly yours,

OIL CONSERVATION DIVISION
