Oil Conservation Division
P. O. Box 2088
Santa Fe, New Mexico 87504-2088

Attention: Mr. William J. LeMay

Gentlemen:

BTA hereby requests administrative approval for the above referenced location for topographic reasons. Our original orthodox location was moved 150' east to alleviate drilling on the "cap rock".

We have requested waivers, by certified mail, from all offset operators, and will forward as soon as received.

If further information is required, please advise.

Sincerely,

DOROTHY HOUGHTON
For BTA Oil Producers
