(Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

13 Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Samson Resources Company respectfully requests permission to commingle production of condensate from lease #NM 43564 with that of lease # NM 82799 into a drip tank located on the Antelope Ridge gas line. Attached is a CRA BLM Format, and a copy of the formulas that will be used to allocate this production back to the proper wells for correct reporting to Minerals Management Service and the State of New Mexico.

Samson also requests permission to measure, store, and sell condensate off lease, as said drip tank is located in Section 16 T22S R34E, Lea county, NM.

14. I hereby certify that the foregoing is true and correct
