Gentlemen:

Your Maxus B 8026 JV-P #3-B 34-22-34 has now been completed in the Antelope Ridge Atoka Gas Pool. As required by Division Order R-9009 the #2 well is to be plugged and abandoned. Please file your intention to P&A.

Also, the acreage in this section was to be realigned so it will be necessary for you to file a revised acreage dedication plat, Form C-102, for #1-P.
