Re: Prohibition Federal Unit #1
       Unit E, Sec. 12, T22S, R32E

Gentlemen:

We have received Form C-123 and also your note indicating the field/pool
name should have been Brushy Canyon instead of Delaware. Our geologist
prefers not to break the Delaware down into separate zones. He feels
that limiting the producing zone to one specific zone in the Delaware
that it causes problems should you want to perforate another Delaware
zone later on.

Unless we hear from you, we will leave this well as A Delaware completion
and create a Delaware pool. Should you have any questions concerning
this, please contact Paul Kautz at (505) 393-6161.

Very truly yours,

OIL CONSERVATION DIVISION

P.S. We still have not received an acreage dedication plat, Form C-102,
      for the Delaware.
