Re: Application for Permit to Drill  
Arrowhead Grayburg Unit #211  
Unit P, Sec. 12, T22S, R36E

Gentlemen:

According to our map ARCO Oil & Gas operates a well in this quarter/quarter section and our Rule 102 (C) requires that you notify them of this permit to drill. On future application if there is another operator in the quarter/quarter section please state that they have been notified.

Very truly yours,

OIL CONSERVATION DIVISION
