RE: Amend Commingling Order PLC-152

Gentlemen:

Maralo, LLC requests that the above commingling order be amended to reflect the recent OCD change in pool status of the Prohibition Federal Unit #3 to the Red Tank; Bone Spring Pool. The well first produced from the new pool on August 13, 1998 (see attached Supplement to the Oil Proration Schedule).

I am also attaching the approved sundry (Form 3160-5) from the Bureau of Land Management in this regard to show required like consent.

Should you have any questions, please do not hesitate to call Dorothea Logan at (915) 684-7441.

Sincerely,

Dorothea Logan
Regulatory Analyst
