13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.) \*

It is proposed to Downhole Commingle the Blinberry and the Drinkard in this well. The well is currently a dual producer. A C-107A Commingle application has been applied for. The well failed the CIT July 2, 1998. We are requesting that the BLM waive the CIT. The well will be commingled as soon as approval is received and adequate testing will be conducted at that time.

14. I hereby certify that the foregoing is true and correct.
