13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

An APD was submitted on 5/18/94 to drill this proposed well. Due to the identification of a surface archeological site, it was necessary to move the proposed surface drilling location. Therefore, it is proposed to change the location to the new location shown above on this Sundry Notice.

The revised C-102 and Maps A and B.1, that are attached, need to be added to the pending APD that the BLM is holding.
