(Note: Repon result of multiple completion on Well Completion or Recompletion Report and Log form.)

13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Change the SEMU #125 to the SEMU Burger B #125.

An APD was approved 3/26/97 for a well named SEMU #125. After further study of the participating areas for the Southeast Monument Unit and the required naming convention for a Skaggs Drinkard completion, it has been determined that this well should have been named as the SEMU Burger B #125. Since it will not (initially at least) be in a participating area, royalties must be paid on a base lease basis. This well will be located on the W.D. Burger B Lease and the agreed upon naming convention for such wells is "SEMU Burger B".
