

The map displays a grid-based land survey. A diagonal line runs from the top left towards the bottom right, separating different areas. Numbered sections are distributed across the grid. In the upper right, there's a cluster of buildings labeled "EUNICE POP. 2,970". To its north is "JONES CITY". Various labels indicate gas-related infrastructure: "NORTHERN NAT. GAS CO.", "EUNICE PLANT", "WATSON", "JOHNSON SINK", and several well identifiers like "3521" and "3340". Roads and railroads are shown as solid and dashed lines respectively. The title "STATE 'A' ACT 2 #75" and the owner "RAPTOR RESOURCES INC." are prominently displayed in the center.
