

**Additional Operator Remarks:**

It is proposed to drill a vertical wellbore in the Cass (Penn) Pool. An NOS was filed 08/17/01. The well will be drilled and equipped according to the following additional attachments. Please cancel the previously approved APD filed on 9/19/01, approved on 11/29/01. Due to the well location being moved outside the proration unit we were directed to resubmitt an APD rather than a Sundry.

Thank you.
