Mr. J. D. Hunter, State Oil & Gas Inspector,
Box 522,
Carlsbad, New Mexico.

Dear Sir:

We refer to our letter to you of November 15th and the revised notice of intention to drill our No. 4 well on our State lease No. B-163 in Section 2, Township 21 South, Range 33 East, Lea County, New Mexico.

The location of said well as given in the notice above mentioned, which is dated November 15th, 1933, is as follows: 1980 feet south of the north line and 1980 feet west of the east line of said Section 2, this location being in the center of Lot 7.

We have moved this location 30 feet north, so that the exact new location is as follows: 1950 feet south of the north line and 1980 feet west of the east line of said Section 2.

If you have not already approved our notice of November 15th, above mentioned, will you please make this change in the location before doing so? If, however, you have already approved and mailed to us our copy of this notice, will you please advise us by letter that you approve the location as given last above?

Very truly yours,

THE TEXAS COMPANY
