

Mr. J. D. Hunter.

-2-

November 15, 1933.

We do not find anything in the regulations requiring your approval before drilling water wells, but we would like to have your approval, which you may give by signing the extra copy of this letter, which we enclose, at the place indicated, after which will you please return it together with our approved copy of the notice of intention to drill the No. 4 well, above referred to, to this office, Box 1160, Fort Worth, Texas.

Very truly yours,

THE TEXAS COMPANY

By *L. E. Barrows*

L. E. Barrows,
Division Manager.
