Mr. R. R. Spurrier,
Oil Conservation Commission
Santa Fe, New Mexico.

Dear Mr. Spurrier:

On February 13th, 1950, your office approved a one-well bond covering the SW/4 SE/4 of Section 13 - 21S - 33E.

The well drilled under this bond was plugged and abandoned on May 11th, 1950 and reports made on C-103 and C-110 and submitted to your Hobbs office.

As there is no longer any need for the bond, I would appreciate your authority to release it so that it can be cancelled.

Yours very truly,

VILAS P. SHELDON.

*Will Roy Yarbrough be
and arranged for the
release of the bond*
