Mr. J. S. Ward Ward Building Artesia, New Mexico

Dear Mr. Ward:

In reply to a letter I received from Justin Newman, Oil Conservation Commission, Artesia, in regard to a request from you concerning the Fidel and Thomas, State #1 Well in the NE SE of Section 12, T. EFG. R. 34E I have a record of Wr. D. D. Thomas filing form C-102, Notice of Intention to Plug Well dated February 14, 1947. We do not have the Form C-103, Report of Final Plugging.

In May of 1947 I wrote to Mr. D. D. Thomas in regard to filling the cellar and setting a regulation marker and also mentioned that the grounds would have to be leveled off. To date this work has not been done.

Very truly yours,

State Oil & Gas Inspector
