

TRIPPLICATE

OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below.

REPORT ON BEGINNING DRILLING OPERATIONS		REPORT ON REPAIRING WELL	
REPORT ON RESULT OF SHOOTING OR CHEMICAL TREATMENT OF WELL	<input checked="" type="checkbox"/>	REPORT ON PULLING OR OTHERWISE ALTERING CASING	
REPORT ON RESULT OF TEST OF CASING SHUT-OFF		REPORT ON DEEPENING WELL

Name
Oil & Gas Inspector

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud.

2. The second part of the document outlines the specific procedures for recording transactions. It details the steps involved in the accounting cycle, from identifying the transaction to posting it to the appropriate ledger account.

3. The third part of the document discusses the importance of reconciling accounts. It explains how regular reconciliation helps to ensure that the records are accurate and that any discrepancies are identified and corrected promptly.

4. The fourth part of the document discusses the importance of maintaining proper documentation. It emphasizes that all transactions should be supported by appropriate evidence, such as invoices, receipts, and contracts.

5. The fifth part of the document discusses the importance of maintaining proper internal controls. It explains how internal controls help to prevent errors and fraud, and how they can be designed to be effective and efficient.

6. The sixth part of the document discusses the importance of maintaining proper communication. It emphasizes that all parties involved in the financial process should be kept informed of the status of the records and any issues that arise.

7. The seventh part of the document discusses the importance of maintaining proper security. It explains how security measures can be implemented to protect the records from unauthorized access and destruction.

8. The eighth part of the document discusses the importance of maintaining proper backup procedures. It emphasizes that regular backups of the records are essential to ensure that they can be recovered in the event of a disaster.

9. The ninth part of the document discusses the importance of maintaining proper archiving procedures. It explains how records should be stored in a secure and accessible manner for the long term.

10. The tenth part of the document discusses the importance of maintaining proper disposal procedures. It emphasizes that records should be disposed of in a secure and appropriate manner when they are no longer needed.
