

OIL CONSERVATION COMMISSION

HOBBS, NEW MEXICO

January 23, 1959

Wilson Oil Co.
Box 1436
Artesia, New Mexico

Gentlemen:

We are returning Form C-102 for your Shell State No. 13 in Unit H of Section 13, T-21-S, R-34-E in order that you may show what additional zone is to be perforated and the approximate size of treatments.

Please return all copies of the form to this office for approval and distribution.

Yours very truly,

OIL CONSERVATION COMMISSION

OIL CONSERVATION COMMISSION
MOSCOW, NEW MEXICO

March 1, 1960

Dear Sirs:

Enclosed for you are two copies of the report of the
Oil Conservation Commission, dated March 1, 1960, in
which you may find additional information regarding the
conservation and the approximate size of the reserves.

Please return all copies of the form to this
office for approval and distribution.

Yours very truly,

Oil Conservation Commission
