Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

A notice of intention to plug and abandon this well had been made and approved in May, 1980 by the Wilson Oil Company. The current status of this well remains unplugged. Coquina has recently purchased the Wilson property and would like to place the well on standby in order to have sufficient time to determine whether or not this well can be utilized as a disposal well.
