17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

The above well is presently making all water from the existing perforations from 3765'-67'. We have made 2 attempts to squeeze off this water but have been unsuccessful. It is proposed to squeeze off these perforations and reperfurate from 3741'-3747'. If necessary we will acidize with no more than 500 gallons of acid.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
