17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

All wells on the subject lease (2 wells) have been shut-in some three years. Effective December 1, 1968, we purchased this lease from Carthay Land Company. Subsequent to this we have tested the No. 1 well, producing 10 barrels of oil and 250 barrels of water. Plans are being made to convert the other well on this lease to a salt water disposal well.

We herein request permission to produce the No. 1 well with an allowable of 10 barrels of oil per day from the effective date of December 1, 1968. No changes of remedial work has been made.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
