Gentlemen:

Re: American Employers' Insurance Co. Bond No.
SY-86599. J. W. Brown Drilling Bond to the
State of New Mexico. Amount, \$5,000.00

Referring to the above case, I will state that
the J. W. Brown-State No. 1, in SWSW Sec. 22,
Twp. 21. S-R 34 E, has not been plugged
according to the laws and rules of the New
Mexico Oil Conservation Commission.

If this location was cleaned up and a
marker set this bond could be released,
however, this has not been done.

Very Truly yours,

OIL CONSERVATION COMMISSION
