13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

On November 12, 1964, permission was obtained to deepen the subject well from its present total depth, 3736'. Beginning in December 31, 1964, the well has been deepened various amounts and thoroughly and adequately tested for each zone. The final total depth of the well was 3854'. The well now will be plugged back to 3736' and producing by means of a large tubing pump or casing pump from the original top of pay of 3680-3736' in an effort to secure commercial production.

14. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
