Dear Mr. Evans:

Mr. Eric Engbrecht, Oil & Gas Inspector for the Commission, has made an inspection of the location for your plugged and abandoned Shamrock State Well No. 1 in Unit C of Section 32, T-21-S, R-34-E and has found old oil drums and one joint of casing lying around there. Further the legal description of the location has not been inscribed on the marker as required.

Please advise this office when these things have been done so that final inspection may be made and your Report of Final Plugging approved without further delay.

Yours very truly,

OIL CONSERVATION COMMISSION
