Re: Plugging Ralph A. Shugart #2  
Sec. 1-21S-33E

Dear Sir:

A check of our records shows that although you filed Form C-102, Notice of Intention to Plug, your Shugart #2 in Unit D of Section 1-21-33, and it was approved on Feb. 2, 1954, no final report has been filed on this well. We shall appreciate it if you will let us know the status of this well.

Yours very truly,
