This form shall be executed and filed in quadruplicate with the Oil Conservation Coinmission at Santa Fe, New Mexico, covering each unit from which oil is preduced. A separate certificate shall be filled for each transporter authorized to transport oil from a unit. After said certificate has been approved by the Oil Conservation Commission, one copy shall be forwarded to the transporter, one copy returned to the producer, and two copies retained by the Oil Conservation Commission.

A new certificate shall be filed to cover each change in operating ownership and each change in the transporter, except that in the case of a temporary change in the transporter involving less than the allowable production for one month the operator shall, in lies of filing a new certificate, notify the Oil Conservation Commission at Santa Fe, New Mexico. and the transporter authorized by certificate on file with the Commission, by letter of the estimated amount of oil to be moved by the transporter and a copy of such notice shall also be such temporary transporter and a copy of such notice shall also be moved by the transporter and a copy of such notice shall also be such temporary transporter and a copy of such notice shall also be such temporary transporter and a copy of such notice shall not those any copy of such the same of the same of the moved to such temporary transporter and a copy of such notice shall not those any copy of such the same of such temporary transporter and a copy of such notice shall not those any copy of such the same of such temporary transporter and a copy of such notice shall not those any copy of such the same of such temporary transporter and a copy of such notice shall not the same of such temporary transporter and a copy of such notice shall not the same of such temporary transporter and a copy of such notice shall not the same of such temporary transporter and a copy of such notice shall not the same of such temporary transporter and a copy of such notice shall not the same of such temporary transporter and a copy of such temporary transporter and a copy of such the same of such temporary transporter and a copy of such notice shall not the same of such temporary transporter and a copy of such notice shall not such temporary transporter and a copy of such notice shall not such temporary transporter and a copy of such notice shall not such temporary transporter and a copy of such notice shall not such temporary transporter and a copy of such notice shall not such temporary transporter and a copy of such notice shall not such temporary transporter and a copy of such notice shall not such temporary transporter and a copy of such temporary tr

This certificate when properly executed and approved by the Oil Conservation Company mission shall constitute a permit for pipe line connection and authorization to transport oil from the property named therein and shall remain in full force and effect until 4.6 មែលសាំរៈ

- (a) Operating ownership changes
- (b) The transporter is changed or
- (c) The permit is cancelled by the Commission

If any of the rules and regulations of the Oil Conservation Commission have not been complied with at the time wis report is filed, explain fully under the heading "REMARKS."

In all cases where this certificate is Ared to cover a change in operating ownership or a change in the transporter designated to move oil, show under "REMARKS" the previous owner or operator and the transporter previously authorized to tansport oil.

A separate report shall be filed to cover each producing unit as designated by the Oil Conservation Commission.
