Re: State WE"F" #1

Gentlemen:

This is to confirm our telephone conversation of 10-5-54 concerning the closing in of the gas zone of our well known as State WE"F" #1. This well is located 3300' FSL and 1980' FWL of Section #1, T-21-S, R-35-E, Lea County, New Mexico.

In accordance with instructions from our Midland Office, we closed in the gas zone of our State WE"F" #1 at 9:00 AM on October 5, 1954. It will remain closed in until we receive further instructions.

We hope this will in no way inconvenience you and should you have any questions please do not hesitate to get in touch with us.

Very truly yours,  
Amerada Pet. Corp.
