| OIL CONSERVATION COMMIS<br>Santa Fe, New Mexico. | Place  | Date                                     |
| Gentlemen:                                       |  |  |
| You are hereby notified that it is               | s our intention to commence the drilling of a well to  | o be known as                            |
|  | Shell State B-1399 Well No. 9  |  |
| of Sec. 7., T. 21. N., R.                        | 35 E, N. M. P. M., West Zunice Field, L  | ea                                       |
| Ν.   | The well is 2310 feet (XN.) (S.) of the  |  |
| AREA 640 ACREB<br>LOCATE WELL CORRECTLY          | (X.) (W.) of the East line of _Section 7<br>(Give location from section or other legal subdivision<br>If state land the oil and gas lease is NoB-1399<br>If patented land the owner is<br>Address<br>If government land the permittee is<br>Address<br>The lessee is<br>Address<br>We propose to drill well with drilling equipment as | n lines. Cross out wrong directions)<br> |

The status of a bond for this well in conformance with Rule 39 of the General Rules and Regulations of the Commission is as follows: \$10,000.00 Blanket Drilling Bond on file with the CilConservation Comm. We propose to use the following strings of casing and to land or cement them as indicated:

| Size of<br>Casing | Weight Per Foot                      | New or<br>Second Hand                                   | Depth  | Landed or<br>Cemented  | Sacks<br>Cement   |
