LOCATE WELL CORRECTLY

We propose to drill well with drilling equipment as follows: **Rotary to 1400'**

Cable tools to test Wilson Field pay.

The status of a bond for this well in conformance with Rule 39 of the General Rules and Regulations of the Commission is as follows: **Blanket**

We propose to use the following strings of casing and to land or cement them as indicated:

Size of Hole	Size of Casing	Weight Per Foot	New or Second Hand	Depth	Landed or Cemented	Sacks Cement
