INSTRUCTIONS

This certificate shall be filed in duplicate with the Oil Conservation Commission at Santa Fe, New Mexico, covering each unit from which oil is produced. A separate certificate shall be filed for each transporter authorized to transport oil from a unit. After said certificate has been approved by the Oil Conservation Commission, one copy shall be forwarded to the transporter, one copy returned to the producer, and two copies retained by the Oil Conservation Commission. (Principal Place of Business)

REMARKS: A new certificate shall be filed to cover each change in operating ownership and each change in the transporter, except that in the case of a temporary change in the transporter involving less than the allowable production for one month the operator shall in lieu of filing a new certificate, notify the Oil Conservation Commission at Santa Fe, New Mexico, and the transporter authorized by certificate on file with the Commission, by letter of the estimated amount of oil to be moved by the transporter temporarily moving oil from the unit, and the name of the transporter. The undersigned certifies that the rules and regulations of the Oil Conservation Commission have been complied with at the time this report is filed. The undersigned certifies that the transporter is authorized to transport the percentages of oil produced from the above described property and that the transporter shall not move any more oil than the estimated amount shown in said certificate. This certificate when properly executed and approved by the Oil Conservation Commission shall constitute a permit for the transporter to transport oil from the property named therein and shall remain in full force and effect until the date of expiration thereof. Executed this _____ day of _____, 1957.

- (a) Operating ownership changes
 - (b) The transporter is changed or
 - (c) The permit is cancelled by the Commission.
- If any of the rules and regulations of the Oil Conservation Commission have not been complied with at the same time this report is filed, explain fully under the heading "REMARKS."

In all cases where this certificate is filed to cover a change in operating ownership or a change in the transporter designated to move oil, show under "REMARKS" the name of the previous owner or operator and the transporter previously authorized to transport oil.

A separate report shall be filed to cover each production unit as it is changed. Before me, the undersigned authority, the person whose name is subscribed to the above instrument, who being by me known to me to be the person whose name is subscribed to make this report and has knowledge of the facts stated herein and that said report is true and correct.

Subscribed and sworn to before me, this the _____ day of _____, 1957.
