

NEW MEXICO OIL CONSERVATION COMMISSION  
Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELL

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-offs, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

**& Exploration Co., Inc. et al** Well No. **2** in the  
Company or Operator Lease

**37-38** of Sec. **12**, T-**21S**, R. **-35E**, N. M. P. M.,

**Lincoln** Field, **Lin** County

The dates of this work were as follows: **March 5-9, 1941**

Notice of intention to do the work was ~~submitted~~ submitted on Form C-102 on **March 5** 19 **41**  
and approval of the proposed plan was ~~obtained~~ obtained. (Cross out incorrect words.)

DETAILED ACCOUNT OF WORK DONE AND RESULTS OBTAINED

After pulling tubing the hole was cleaned out to bottom and then re-run to 3878' with an Egan-Dodge Under-set formation packer set at 3829'. Gas-oil ratio has thus been reduced from 10,000 to approximately 6,500 cubic feet per barrel.

Title

The first part of the document discusses the importance of maintaining accurate records of all transactions and the role of the auditor in ensuring the integrity of the financial statements. It emphasizes the need for transparency and accountability in the reporting process.

The second part of the document provides a detailed overview of the audit process, including the planning phase, the execution of the audit, and the final reporting stage. It highlights the various techniques and procedures used by auditors to gather evidence and assess the risk of material misstatement.

The third part of the document focuses on the ethical considerations that govern the audit profession. It discusses the principles of independence, objectivity, and integrity, and the importance of adhering to professional standards and codes of conduct.

The fourth part of the document addresses the challenges and risks associated with auditing in a complex and rapidly changing business environment. It explores the impact of technological advancements, globalization, and regulatory changes on the audit process.

The fifth part of the document provides a summary of the key findings and conclusions of the study. It reiterates the importance of a robust audit system for ensuring the reliability of financial information and the overall health of the economy.

The sixth part of the document contains a list of references and a bibliography, citing the various sources of information used in the research.

The seventh part of the document includes a list of appendices, which provide additional data and supporting information for the study.

The eighth part of the document contains a list of figures and tables, which present the results of the analysis in a clear and concise manner.

The ninth part of the document includes a list of footnotes, which provide further details and clarifications on specific points raised in the text.

The tenth part of the document contains a list of glossary terms, which define the key concepts and terminology used throughout the document.

The eleventh part of the document includes a list of abbreviations, which provide a shorthand reference for commonly used terms and acronyms.

The twelfth part of the document contains a list of acknowledgments, which express gratitude to the individuals and organizations that provided support and assistance during the research process.

The thirteenth part of the document includes a list of contact information, which provides details on how to reach the author or the research team.

The fourteenth part of the document contains a list of references, which cite the various sources of information used in the research.

The fifteenth part of the document includes a list of appendices, which provide additional data and supporting information for the study.

The sixteenth part of the document contains a list of figures and tables, which present the results of the analysis in a clear and concise manner.

The seventeenth part of the document includes a list of footnotes, which provide further details and clarifications on specific points raised in the text.

The eighteenth part of the document contains a list of glossary terms, which define the key concepts and terminology used throughout the document.

The nineteenth part of the document includes a list of abbreviations, which provide a shorthand reference for commonly used terms and acronyms.

The twentieth part of the document contains a list of acknowledgments, which express gratitude to the individuals and organizations that provided support and assistance during the research process.

The twenty-first part of the document includes a list of contact information, which provides details on how to reach the author or the research team.

The twenty-second part of the document contains a list of references, which cite the various sources of information used in the research.

The twenty-third part of the document includes a list of appendices, which provide additional data and supporting information for the study.

The twenty-fourth part of the document contains a list of figures and tables, which present the results of the analysis in a clear and concise manner.

The twenty-fifth part of the document includes a list of footnotes, which provide further details and clarifications on specific points raised in the text.

The twenty-sixth part of the document contains a list of glossary terms, which define the key concepts and terminology used throughout the document.

The twenty-seventh part of the document includes a list of abbreviations, which provide a shorthand reference for commonly used terms and acronyms.

The twenty-eighth part of the document contains a list of acknowledgments, which express gratitude to the individuals and organizations that provided support and assistance during the research process.

The twenty-ninth part of the document includes a list of contact information, which provides details on how to reach the author or the research team.

The thirtieth part of the document contains a list of references, which cite the various sources of information used in the research.

The thirty-first part of the document includes a list of appendices, which provide additional data and supporting information for the study.

The thirty-second part of the document contains a list of figures and tables, which present the results of the analysis in a clear and concise manner.

The thirty-third part of the document includes a list of footnotes, which provide further details and clarifications on specific points raised in the text.

The thirty-fourth part of the document contains a list of glossary terms, which define the key concepts and terminology used throughout the document.

The thirty-fifth part of the document includes a list of abbreviations, which provide a shorthand reference for commonly used terms and acronyms.

The thirty-sixth part of the document contains a list of acknowledgments, which express gratitude to the individuals and organizations that provided support and assistance during the research process.

The thirty-seventh part of the document includes a list of contact information, which provides details on how to reach the author or the research team.

The thirty-eighth part of the document contains a list of references, which cite the various sources of information used in the research.

The thirty-ninth part of the document includes a list of appendices, which provide additional data and supporting information for the study.

The fortieth part of the document contains a list of figures and tables, which present the results of the analysis in a clear and concise manner.

The forty-first part of the document includes a list of footnotes, which provide further details and clarifications on specific points raised in the text.

The forty-second part of the document contains a list of glossary terms, which define the key concepts and terminology used throughout the document.

The forty-third part of the document includes a list of abbreviations, which provide a shorthand reference for commonly used terms and acronyms.

The forty-fourth part of the document contains a list of acknowledgments, which express gratitude to the individuals and organizations that provided support and assistance during the research process.

The forty-fifth part of the document includes a list of contact information, which provides details on how to reach the author or the research team.

The forty-sixth part of the document contains a list of references, which cite the various sources of information used in the research.

The forty-seventh part of the document includes a list of appendices, which provide additional data and supporting information for the study.

The forty-eighth part of the document contains a list of figures and tables, which present the results of the analysis in a clear and concise manner.

The forty-ninth part of the document includes a list of footnotes, which provide further details and clarifications on specific points raised in the text.

The fiftieth part of the document contains a list of glossary terms, which define the key concepts and terminology used throughout the document.
