

NEW MEXICO STATE LAND OFFICE  
SANTA FE, NEW MEXICO

DEPARTMENT OF THE STATE GEOLOGIST  
NOTICE OF INTENTION TO TEST WATER SHUT-OFF

Notice must be given to the State Geologist or to the proper Oil and Gas Inspector at least five days before the test. It is desirable that a representative of the Department of the State Geologist witness the water shut-off before drilling into the productive sand whenever possible. If changes in the proposed plan are considered advisable, a copy of this notice showing such changes will be returned to sender. Submit this notice in triplicate.

Hobbs, N. Mex., 11/10/34, 19\_\_

Mr F. J. Vesely,

State Geologist, O. & G. Inspector,  
-Santa Fe, New Mexico. Carlsbad, N. M.

F. J. Vesely  
State Geologist or Oil and Gas Inspector.

NOTION OF INTELLECT TO TEST WITHIN RESEARCH  
DEPARTMENT OF THE STATE OF NEW YORK

1. The first of these is the fact that the United States has a large and growing population of people who are not citizens of the United States. This is a result of the large number of people who have immigrated to the United States in recent years, and the fact that many of these people are not naturalized citizens. This is a problem because these people are not entitled to the same rights as citizens, and they are not subject to the same laws. This is a problem for the United States because it is a country that is based on the principle of equal rights for all people. This is a problem for the United States because it is a country that is based on the principle of equal rights for all people.

Figure 1. The effect of the concentration of the *Agrobacterium* suspension on the transformation efficiency of *Agrobacterium* strains.

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.
