Re: Cancellation of DC established by
Order R-271

Attention: Mr. W. E. Owen

Gentlemen:

Reference is made to your Form C-103 dated April 1, 1957, in which the oil completion was abandoned in your State "H" Well No. 4, located in the NE/4 SE/4 of Section 13, Township 21 South, Range 35 East, Eumont Gas Pool. This well is now only a single completion as a gas well in the Eumont Gas Pool. Other records indicate that you drilled your well No. 4A in the same unit as an oil well in the Eumont Gas Pool to replace the prior oil completion in Well No. 4 in the Eumont Gas Pool.

This is to notify you that the dual completion of Well No. 4 established by Order R-271 issued February 27, 1953 is cancelled as of this date.

The basis for this cancellation is the recompletion of Well No. 4 as a single gas well in the Eumont Gas Pool and the drilling of Well No. 4A as a new oil well in the same unit in the Eumont Gas Pool to replace the oil completion in Well No. 4.

Yours very truly,

A. L. PORTER, Jr.
Secretary-Director
