Administrative Order NFO-199

Gentlemen:

Reference is made to your application for permission to flare or vent gas from your State WE "B" Well No. 5, located in the SE/4 SE/4 of Section 24, Township 21 South, Range 35 East, Lea County, New Mexico, in the Eumont Pool.

By authority granted me under provisions of paragraph (10) of Order R-520, as amended by Order R-553, you are hereby authorized to flare gas from the above described well.

Under the provisions of Order R-553 you must file Form C-110 in quadruplicate with the Hobbs office of this Commission (Box 2045), showing thereon that the gas is being vented or flared. In the future if you secure a connection for your gas, you must file an amended C-110 showing the applicable information. If you have not filed Form C-110, please do so immediately in compliance with the rule.

At some future date the Commission may request that you furnish this office with a progress report of your efforts to eliminate the venting or flaring of gas from the above described well.

Very truly yours,

W. B. Macey
Secretary-Director
