Gentlemen:

A check of the file on your Atlantic State #1 in Unit P of Section 25-21S-35E shows that, although a notice was sent to you on April 5, 1956 regarding the flaring of casing-head gas, you have neither obtained a gas connection nor applied for a no-flare order as required by Order R-553. Please advise this office within ten days as to your intentions concerning this matter.

Yours very truly,

OIL CONSERVATION COMMISSION
