Re: Form C-101 Atlantic-State #1 Sec. 25-21-35

Dear Sir:

With reference to your C-101 approved Feb. 21 on your Reaho Corporation and Ben Hogan Atlantic-State #1, 990' from the south line and 330' from the east line of Sec. 25-21-35, we have marked this form "Corrected Form", since we had previously approved Form C-101 on this same unit for this same well on December 16, 1955, and we are assuming that this is merely a change of location.

Yours very truly,

OIL CONSERVATION COMMISSION
