Re: Reclassification
State F-1 #6-D, Sec. 1, T21S, R36E
Eumont Y-SR-Qu Pool

Gentlemen:

Due to the recently submitted gas/oil ratio test for the above-referenced well in the Eumont-Y-SR-Qu Pool, the well will be reclassified as an oil well in the Eumont Pool effective September 1, 1986, and the gas allowable will be cancelled that date.

If for some reason you feel this test is in error, please submit another test for our consideration.

To update our files, please submit two copies of a revised Form C-102 outlining the 40-acre proration unit for this oil well classification.

Very truly yours,

OIL CONSERVATION DIVISION

Supervisor, District I
