

12/2/34

- (d) The length or width of the proposed unit does not exceed 2000 feet.
- (e) By copy of this letter of application all operators owning interests in the section in which the proposed unit is located and all operators within 1000 feet of the proposed unit will be notified by registered mail of the intent of Gulf Oil Corporation to form the proposed non-standard gas production unit. (see attached affidavit.)

In view of the existence of the facts herein stated and compliance with the provisions of Rule 9(b) of the Oil Conservation Commission's Order No. 8-224, Gulf Oil Corporation requests that the Secretary of the Commission approve the above described non-standard gas production unit.

Respectfully submitted,

GULF OIL CORPORATION
