

Therefore, it is requested by Conoco Inc. that this unorthodox location be approved for the drilling of this well to maximize Eumont gas recovery and to protect the correlative rights of Conoco and its partners in the Meyer B-4 lease and that it be simultaneously dedicated to the existing 160-acre non-standard proration unit (NSP 1227) with the current producing Well No. 15.

Copies of this application were sent by certified mail to all offset operators and copies of the certified mail receipts are attached as EXHIBIT D. If there any further questions, please call me at (915) 686-6548.

Very truly yours,

A handwritten signature in black ink, appearing to read "Jerry W. Hoover". The signature is fluid and cursive, with the first name "Jerry" being more prominent and the last name "Hoover" following in a similar style.
